Faculty members, academicians, researchers and students are invited to participate and present papers related to the same. All the accepted papers will be published in a Peer Reviewed Multidisciplinary International Journal.

CONCEPT NOTE

Virtual Reality is a simulated experience that can be similar to or completely different from the real world. Applications of virtual reality include entertainment education and business. Virtual Reality can improve education by providing students with memorable and immersive experience that would otherwise not be possible. Virtual experience has the power to engage and inspire students in a unique and powerful way. The use of Virtual reality as a learning tool occupies a whole new and exciting domain for Social Work education. Engaging in virtual worlds expand the potential for students to connect with the learning experience on multiple levels, Pedagogically aligns with stimulating affective process to enhance cognitive engagement and aligns with the domains of knowledge acquisition competency based social work education.

Labour India College

Labour India Educational Society was founded in 1984 by the visionary legend Shri George Kulangara who has always been instrumental in the socio-economic progression of Central Travancore. This Shrine of Letters adorns the pride of igniting the latent potential of the youth hailing from globally. The glowing track record of social service has not in any way induced lethargy in striving for excellence but only re-energised us.

School of Social Work

The Department since its inception, has been functioning with an objective of providing Professional Social Work education to graduates who have a flair for the profession. The Department inspires our students to always strive and thirst for knowledge and wisdom, so that they may be moulded into mature, gracious and self-less citizens who continually seek to nurture, care for and develop the society they live in.

The Department has been organizing national and international seminars to promote academic and research interests in various contemporary areas of social work. Guided by a succession of eminently qualified heads of the Department and supported by sincerely motivated faculty, the Department has making rapids strides in attaining greater highest academic performance. The faculty of social work has asserted its commitments to the students community through allied activities organization of academic conferences, seminars and philanthropic activities etc.
